

# WHAT IS INSURANCE?

Mr. Webster says it is "the act or system of insuring against loss or damage; a contract entered into to secure against loss by fire and etc., by the payment of a specified sum."

This Agency is in position to comply strictly with Mr. Webster's definition of Insurance. We write all kinds of good Insurance.

## Mother of Eighteen Children.

"I am the mother of eighteen children and have the praise of doing more work than any young woman in my town," writes Mrs. C. J. Martin, Boone Mill, Va. "I suffered for five years with stomach trouble and could not eat as much as a biscuit without suffering. I have taken three bottles of Chamberlain's Tablets and am now a well woman and weigh 168 pounds. I can eat anything I want to, and as much as I want and feel better than I have at any time in ten years. I refer to any one in Boone Mill or vicinity and they will vouch for what I say." Chamberlain's Tablets are for sale by all dealers.

## BEATS TOBACCO WITH RYE CROP

Clifford King Plants Eight Acres in Grain and Realizes Bigger Net Profit.

Here is a story for people interested one way or another in the tobacco situation.

Clifford King, a Corydon merchant, has a farm not far from town. Last year he had eight acres of tobacco raised on his land. It was a fairly good crop, probably above the average.

He took it to a Stemming District Association warehouse and got one-third cash and two-thirds in warehouse receipts.

This he was discouraged over the tobacco outlook, and declared to grow something else on the land. He sowed rye on the same eight acres, and made more money than he made out of the tobacco crop last year.

"I not only made more money out of the rye," said Mr. King to a gleaner man yesterday, "but the cultivation required far less than half as much labor."

Mr. King's case probably is exceptional, but it is good evidence of what can be done by farmers who realize that the future of tobacco growing in this reason is not encouraging.

## Diarrhoea Quickly Cured.

"I was taken with diarrhoea and Mr. Yorks, the merchant here, persuaded me to try a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After taking one dose of it I was cured. It also cured others that I gave it to," writes M. E. Gebhart, Oriole, Pa. That is not at all unusual. An ordinary attack of diarrhoea can almost invariably be cured by one or two doses of this remedy. For sale by all dealers.

## Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it is swollen, and the hearing is lost. When you have a rumbling sound or impaired hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for every case of Deafness cured by our treatment. Send for circulars, free.
